

Title:	Remote Control Incorrectly Referenced in TurboHD Kits	Version:		Date:	031417
Product:	TurboHD Kits			Page:	1 of 1
Action Required:	None, Information Only				

Dear Valued Hikvision Dealer Partner,

The TurboHD Kits have an incorrect reference to providing a remote control unit in the box. The DVR does not support a remote control, and reference to it has subsequently been removed from the Quick Start Guide and User Manual on future unit shipments.

■ **Affected Products**

TurboHD Kits
T7104Q1TA – Consists of (1) DS-7104HQHI-F1/NB DVR and (4) DS-2CE56D0T-IR Turret Cameras
T7104Q1TB – Consists of (1) DS-7104HQHI-F1/NB DVR and (4) DS-2CE56D7T-VPIT Dome Cameras
T7108Q2TA – Consists of (1) DS-7108HQHI-F1/NB DVR and (4) DS-2CE56D0T-IR Turret Cameras
T7108Q2TB – Consists of (1) DS-7108HQHI-F1/NB DVR and (4) DS-2CE56D7T-VPIT Dome Cameras

■ **Specific Anomalies**

An incorrect reference was made to including a remote control in all kits. The DVRs do not support a remote control.

■ **Solution**

Kit documentation has been corrected and will appear in future shipments.
